1.2 Background

Established in 2018 by CHUMS Financing Corporation (subsidiary of MFOA) and LAS (created in 1992 by AMO), ONE is a not-for-profit corporation mandated to facilitate investment by municipalities and public sector bodies in investment products and vehicles and to make available, and lower the cost of, such products and services in a manner consistent with the investment objectives of such municipalities and public sector bodies.

As per the Municipal Act, for a municipality or related public sector body to invest using the prudent investor standard – it must be done through a separate governance structure known as either an investment board (in the case of a single municipality) or a joint investment board (in the case of two or more municipalities). These investment boards are created through section 196 or section 202 in the case of a joint investment board. ONE Investment is working with several municipalities to create the ONE JIB. The ONE JIB will be subject to the requirements of the Municipal Act for an integrity commissioner.

If applicable to certain Members that are members of the Broader Public Sector of the Province of Ontario; the BPSAA and the BPSPD will apply. Members are subject to applicable trade agreements: these may include CFTA and the CETA, Chapter 19 Government Procurement. It is the intention of ONE and its Members that the procurement process conducted under this RFP will be consistent with these requirements, where applicable.

1.3 Proposal Schedule

Schedule details will be in the date format (Month/day/year) and the completed schedule with all applicable dates for this RFP can be found listed in Appendix A, Section A.5.

ONE reserves the right to modify any or all dates at its sole discretion.

1.4 Inquiries, Clarifications and Addenda

Inquiries and clarification requests regarding this RFP will be accepted before the Receipt of Proponent Questions date listed in Appendix A, Section A.5 by the Designated RFP Contact Person specified in Appendix A, Section A.4 and in the format(s) defined within. No requests will be accepted by telephone.

Inquiries should not be directed to ONE employees or its Board of Directors, or any staff member of any of ONE's partner organizations.

Any and all changes to the RFP required will be issued by ONE in the form of written addenda/addendum before the proposal submission deadline and will hereby form part of the RFP. Any addenda/addendum and/or resulting scheduling changes will be supplied to all Proponents that were provided an original RFP document and in the equivalent manner.

ONE will assume no responsibility for oral instruction or suggestion.

1.5 Submission Deadline

The submission deadline is the date and time as stated in Appendix A, Section A.5 unless otherwise updated by means of issued addenda/addendum.

- a) Proposals will NOT be accepted after the stated submission date and time deadline.
- b) A Proponent may withdraw its Proposal at any time by giving written notice to the contact person listed in Appendix A, Section A.4. Telephone notices will not be considered.
- c) For clarity, while a Proponent will not be penalized where its Proposal is received after the submission deadline, if the delay is due solely to mishandling on the part of ONE, very specific obligations are set out in this RFP for the submission of a Proposal by a Proponent.
- d) For clarity, as between ONE and a Proponent, it is the Proponent who assumes the risk of delay for the use of couriers or other third-party deliverers, or for utility failures, including the lack of availability of telecommunications services or elevators. Reliance on delivery by a member of ONE to the specific delivery location is not an excuse for a late or failed delivery by a Proponent. The Proponent is responsible for direct delivery to the designated delivery location.

1.6 Limitation of Liability

ONE and its agents and advisors will not be liable for any information or advice or any errors or omissions that may be contained in the RFP or any data, materials, or documents disclosed or provided to the Proponent pursuant to this RFP or otherwise.

ONE and its agents and advisors make no representation or warranty, either express or implied, in fact or in law, with respect to the accuracy or completeness of this RFP or such data, materials, or documents. ONE will not be responsible for any claim, action, cost, loss, damage, or liability whatsoever arising from the Proponent's reliance or use of this RFP or any data, materials, or documents provided.

The Proponent should satisfy itself as to the accuracy of the information contained in the RFP through independent means. The only representations and warranties made by ONE will be those that may be contained in any definitive agreement between ONE and the Proponent.

Subject to Section 1.17 with respect to the Proponent, the Proponent acknowledges and agrees that ONE and every Member will have no liability to the Proponent or its sub-contractors in respect of the conduct of the procurement process relating to this RFP by ONE and every Member, whether in contract or tort otherwise, and including without limitation, for costs that the Proponent or its sub-contractors incur with respect to the procurement process. The limitation of liability will apply whether or not based on an allegation, whether in whole or in part, true or not, that ONE or any Member has conducted an unfair procurement process, or in the event the Proponent experiences any technical issues in accessing the RFP or submitting its Proposal as required by this RFP.

1.7 Statement of Understanding

To be clear, and notwithstanding any other term of this RFP that may be interpreted otherwise, it is not the intent of ONE or any Member, nor the effect of this RFP, to initiate contractual relations by the provision of a Proposal by any Proponent in response to this RFP.

Notwithstanding any other term of this RFP, this RFP is merely a call for Proposals and not a tender call intending to place legally binding obligations on ONE or any Member or on any Proponent to enter into a definitive agreement or to be bound by any of the terms of its Proposal. It is not the intention of ONE to enter into a contract for the deliverables described in this RFP or enter into any other legally binding obligations unless and until an Agreement has been finalized and executed by ONE or a Member, as applicable, with a successful Proponent.

This RFP permits negotiations between ONE and Proponents to finalize definitive agreements.

Neither the transmission of this RFP to a Proponent nor the acceptance or receipt of a Proposal by ONE will be construed as or imply any obligation or commitment on the part of ONE to enter into a contract or agreement of any kind in respect of any or all of the contents of this RFP.

Each Proponent will be deemed to have carefully examined the RFP prior to submitting its Proposal, and if it should discover any omissions, errors, discrepancies, ambiguities, or other anomalies or have any doubts or questions as to the meaning of any portion thereof, it will before submitting its Proposal, communicate the same to ONE in writing.

At ONE's sole discretion, some or all of the corrections, questions, and answers may be incorporated into addenda/addendum to the RFP for distribution to all Proponents.

The onus is on the Proponent to ensure it has received and acknowledged all addenda/addendum.

1.8 No Local Preference

All procurement processes are conducted so as not to unduly exclude local vendors while at the same time maintaining the duty to be fair, fully open and transparent.

ONE endeavors to achieve the best value for its members in its programs and transactions. As a result, ONE will not be bound to purchase supplies or services based solely upon Canadian content.

1.9 No Collusion

No Proponent will discuss or communicate with any other person or entity (including, without limitation, any employee, representative, or agent of any other Proponent) about the preparation of its Proposal. Each Proponent's Proposal will be prepared without any connection, knowledge, comparison of information, or arrangement with any other person or entity responding to the RFP (or any employee, representative, or agent thereof) and each Proponent will be responsible to ensure that its participation in this RFP is conducted fairly and without collusion or fraud.

1.10 No Publicity or Promotion

The Proponent will not make any public announcement, distribute any literature regarding this RFP, or otherwise promote itself in connection with this RFP.

In the event the Proponent is awarded a contract, the Proponent will not identify ONE as a customer of the Proponent and will not otherwise use ONE's name or any ONE mark, without the written consent of ONE.

1.11 False or Misleading Statements

If in ONE's opinion, a Proposal contains false or misleading statements or references that do not support a function, attribute, capacity or condition as contended by the Proponent the entire Proposal may be rejected.

1.12 Bribery/ Fraud

Should any Proponent or any of its agents give or offer any gratuity or attempt to bribe any employee or official of ONE, or to commit fraud, ONE will cancel the Proponent's submission.

1.13 Exclusion of Proponents Due to Poor Performance

ONE will document evidence where the performance of the Proponent has been unsatisfactory in terms of failure to meet contract specifications, terms and conditions or for Health and Safety violations.

The co-Presidents/co-CEO, in consultation with the ONE Board of Directors, may prohibit an unsatisfactory Proponent from bidding on future RFPs or contracts for a period of up to three years.

If a Proponent, in ONE's determination, fails to conform to the terms of an agreement executed pursuant to this RFP on a repeated basis, either over time or on a variety of deliverables, for reasons that are within Proponent's reasonable control, then ONE may elect to not permit the Proponent to participate in future procurements, on the grounds of significant or persistent deficiencies in performance of a substantive requirement of such agreement.

1.14 Conflict of Interest

For the purpose of this Request for Proposal, "conflict of interest"

- a) Could be, or could be seen to exercise improper influence over the objective, unbiased and impartial exercise and independent judgment; or
- b) Could be, or could be seen to compromise, impair or be incompatible with the effective performance.

This includes but is not limited to any situation or circumstance, in relation to the performance, obligations, commitments, relationships or financial interests and any subsequent contract or agreement.

Subject to any disclosures the Proponent may make in Schedule B, it is not in a position of a conflict of interest in respect to responding to the RFP and providing the Proposal or, if awarded, entering into an agreement for, and providing, the deliverables. Subject to the disclosure in Schedule B, the Proponent has no unfair advantage, including access to confidential information (other than confidential information that may be disclosed to all Proponents as part of the RFP procurement process), in bidding on this RFP. ONE will review all conflicts of interests and determine if the conflict of interest can or cannot be resolved, in ONE's determination. If the conflict of interest cannot be resolved, then ONE will terminate the Proponent's involvement in this RFP or any resulting agreement.

1.15 Rights Reserved by ONE

ONE reserves the right to:

- a) Make public the names of any or all Proponents;
- b) Request written clarification or the submission of supplementary written information in relation to the clarification request from any Proponent and incorporate a Proponent's response to that request for clarification into the Proponent's Proposal including, without limitation, clarification with respect to the relationship between the Proponent and any of its proposed sub-contractors;
- c) Adjust a Proponent's scoring or reject a Proponent's Proposal on the basis of:
 - i. The Proponent's past performance on previous contracts awarded by ONE or an applicable Member;
 - ii. The information provided by a Proponent pursuant to ONE exercising its clarification rights under this RFP process;
 - iii. Other relevant information that arises during this RFP process;
- d) Waive formalities and accept Proposals which substantially comply with the requirements of this RFP;
- e) Verify with any Proponent or with a third party any information set out in a Proposal;

- f) Disqualify any Proponent whose Proposal contains misrepresentations or any other inaccurate or misleading information;
- g) Disqualify any Proponent or the Proposal of any Proponent who has engaged in conduct prohibited by this RFP;
- h) Make changes, including substantial changes, to this RFP provided that those changes are issued by way of addenda in the manner set out in this RFP;
- i) Select any Proponent other than the Proponent whose Proposal reflects the lowest cost to ONE or the highest overall score;
- j) Cancel this RFP process at any stage without award;
- k) Cancel this RFP process at any stage and issue a new RFP for the same or similar goods and services;
- l) Accept any Proposal in whole or in part;
- m) Discuss with any Proponent different or additional terms to those contemplated in this RFP or in any Proponent's proposal;
- n) If a single Proposal is received,
 - i. reject the Proposal of the sole Proponent and cancel this RFP process or
 - ii. enter into direct negotiations with the sole Proponent;
- o) Reject any or all Proposals in its absolute discretion; or,
- p) Negotiate in respect of any term or condition proposed by the Proponent in its Proposal, whether a business or legal term or condition or otherwise;
- q) And these reserved rights are in addition to any other express rights or any other rights which may be implied in the circumstances.

By submitting its Proposal, the Proponent authorizes the collection by ONE and the Member of the information set out under (e).

1.16 Vendor Debriefing

ONE will promptly inform participating Proponents of its contract award decisions, and, on the request of a Proponent, will do so in writing. Subject to not disclosing Proponent information that might prejudice fair competition between Proponents and other reasonable restrictions, ONE will, on request, provide an unsuccessful Proponent with an explanation of the reasons why its Proposal was not selected and the relative advantages of the successful Proponent's Proposal. ONE will provide unsuccessful Proponents, until 60 calendar days following notification of the applicable agreement award date, a right to request a debriefing.

1.17 Administrative or Judicial Review Procedures

- a) There will be a timely, effective, transparent, and non-discriminatory administrative or judicial review procedure through which a Proponent may challenge (a) a breach of CFTA or CETA, as applicable; or (b) if the Proponent does not have a right to challenge directly; a breach of CFTA or CETA under the laws of Ontario, a failure by ONE or a Member to comply with the obligations to implement CFTA or CETA. The procedural rules for all challenges will be in writing and made generally available.
- b) If there is an applicable complaint by a Proponent for a breach or a failure as referred to in (a) above, the Proponent and ONE and the Member, as applicable, will seek resolution of the complaint through consultations. ONE and the Member, as applicable will accord impartial and timely consideration to any such complaint in a manner that is not prejudicial to the Proponent's participation in ongoing or future procurement or its right to seek corrective measures under the administrative or judicial review procedure.
- c) Each Proponent will be allowed a sufficient period of time to prepare and submit a challenge, which in no case will be less than 10 days from the time when the basis of the challenge became known or reasonably should have become known to the Proponent.

- d) Pending the establishment or designation of at least one impartial administrative or judicial authority by the Province of Ontario that is independent of its procuring entities to receive and review an applicable challenge by a Proponent (and which ONE elects to use for the purposes of this RFP), all disputes arising out of or in connection with this RFP, or in respect of any legal relationship associated with or derived from this RFP, may be finally resolved, at ONE's election, by arbitration under the Arbitration Rules of the ADR Institute of Canada, Inc. The Seat of Arbitration will be Toronto, Ontario before a single arbitrator. The language of the arbitration will be English. For clarity, the Proponent and ONE can mutually agree to alternative rules and an alternative body to arbitrate the dispute.
- e) If a body other than an authority referred to in (d) initially reviews a challenge, the Proponent may appeal the initial decision to an impartial administrative or judicial authority that is independent of the procuring entity whose procurement is the subject of the challenge.
- f) A review body that is not a court will have its decision subject to judicial review or have procedures that provide that ONE and the Member, as applicable will respond in writing to the challenge and disclose all relevant documents to the review body;
 - i. the participants to the proceedings ("participants") will have the right to be heard prior to a decision of the review body being made on the challenge;
 - ii. the participants will have the right to be represented and accompanied;
 - iii. the participants will have access to all proceedings;
 - iv. the participants will have the right to request that the proceedings take place in public and that witnesses may be presented; and
 - v. the review body will make its decisions or recommendations in a timely fashion, in writing, and will include an explanation of the basis for each decision or recommendation.
- g) ONE will adopt or maintain procedures that provide for:
 - i. rapid interim measures to preserve the Proponent's opportunity to participate in the procurement. Such interim measures may result in suspension of the procurement process. The procedures may provide that overriding adverse consequences for the interests concerned, including the public interest, may be taken into account when deciding whether such measures should be applied. Just cause for not acting will be provided in writing; and
 - ii. corrective action or compensation for the loss or damages suffered, which will be limited to the lesser of (1) the costs for the preparation of the Proposal; and (2) the costs relating to the challenge, if a review body determines that there has been a breach or a failure to comply as referred to in paragraph (a). For clarity, to the extent permitted under CETA and CFTA, such costs will be limited to actual, direct costs reasonably incurred by the Proponent in the circumstances, and will not exceed costs which a commercially reasonable party would incur given the actual revenues and profits that could reasonably be expected in the context of the specific procurement.
- h) A failure by ONE or a Member to fulfill its obligations under this Section will not, to the extent permitted by CFTA and CETA, incur for them cumulatively, a liability to the Proponent that exceeds a costs award in excess of the amount described in subsection (g).ii above for the actual loss or damages suffered as a result of failure to perform its obligations under Section 1.17, if any. For clarity, a final determination that ONE or a Member, as applicable, was permitted to take such actions as it did with respect to a Proponent's Proposal or performance under this RFP, will be consistent with a determination that no damages award should be made against ONE or a Member, as applicable.

END OF SECTION

2.2 Contents of Submission

The Submission Checklist in *Schedules: Technical Information* is a means to assist Proponents in providing all submission required information.

Failure to follow and provide this Reference Location Guide (for the review purpose) creates a risk to the Proponent that, even if the information has been provided, it may be overlooked and consequently not considered in the final evaluation of the Proponent's score.

3.0 EVALUATION

3.1 Evaluation Committee

ONE Investment will establish the RFP Evaluation Committee to include individuals with financial, technical and/or municipal and public sector experience. The RFP Contact will be the designated Evaluation Committee Chair for the RFP evaluation process.

Proponents are encouraged to provide details that demonstrate the excellence of their proposal. Proponents are to assume that ONE and the evaluation committee members have no prior knowledge or experience with product and/or service and will base their evaluation solely on the information presented in the Proposal's documentation.

The Evaluation Committee may request that the Proponent provide supplemental information or technical details to clarify the submission. The Chair will provide this written request to the Proponent with a specified deadline for submission of this additional data.

3.2 Evaluation Procedure

There will not be a public opening for this RFP. Proposals received by the submission date and time deadline, will be evaluated by members of the ONE Evaluation Committee in the following order:

a) **Mandatory Requirements**

Each Proponent shall complete and submit the Proposal Submission Forms within *Schedules: Technical Information* in accordance with the instructions contained therein. While a signature is requested, the act by the Proponent of submitting the Proposal Submission Form without a signature shall nevertheless be deemed to be equivalent to a signature and to be binding upon the Proponent in the same manner as a signature.

At ONE's request, ONE may seek confirmation of the Proponent's intent to be so bound by requiring such signature after the Closing Time. A failure to provide such signature by the Proponent within two (2) business days of ONE's written request shall be a breach of a Mandatory Requirement of this RFP and the Proponent will be rejected.

Mandatory Requirements of this RFP include:

- i. Submission received prior to submission deadline
- ii. Submission Checklist included
- iii. Proposal Submission Form (Schedule A) included
- iv. All Addenda acknowledged on Schedule A
- v. Submission typed/written in English

b) **File 1 - Technical Data**

Proposals will be evaluated against the point-rated criteria listed in Section A.6. ONE at its sole discretion will determine how many Proponents will be interviewed and the method by which the interviews will be conducted.

c) **File 2 - Pricing Evaluation**

File 2 will only be viewed for those Proposals that have met the minimum score under the point-rating evaluation system listed in Section A.6. In the event that less than 3 Proponents score a minimum 75 points, File 2 will be viewed for the top 3 scoring Proponents.

Pricing Evaluation will consist of a review of all prices submitted in Schedule [C](#).

The successful Proponent(s) will be determined by the result of calculated and combined point-ratings of all the criteria and components of this RFP and addenda/addendum; therefore, the lowest price proposal will not necessarily be the accepted one.

3.4 Confidentiality of Evaluation

All information provided by a Proponent in connection with this RFP will be confidential if so designated by the Proponent and will not be disclosed except as provided in this RFP or as required by law.

Evaluation scores and rankings are confidential and, apart from identifying the top-ranked and successful Proponent(s), no further details of the Proposal submissions or score or ranking of any Proponent will be released to any other Proponent, subject to ONE's procurement obligations under BPSAA, CFTA and CETA, as applicable.

The same shall apply for any current and future sub-contractor/consultant/manufacture being used as part of the contract agreement.

4.5 Non-Waiver

No act or omission by ONE will be construed by the Successful Proponent as a renunciation or waiver of any rights or recourses for any breach by the Successful Proponent of its obligations set out in this RFP and in the Contract, unless ONE provided the Successful Proponent with an express waiver in writing. Any work performed by ONE which is part of the Work will not relieve the Successful Proponent of its obligations to do that Work.
